*I want to personally thank you for supporting our mission.*

The mission of the Abundant Harvest is to **FEED** the body, **NOURISH** the soul, & **TRANSFORM** the community.

In 2017 we began with a food truck, feeding refugees and rebuilding homes after Hurricane Harvey. In 2020 as COVID shut-down our community, we opened The Abundant Harvest Kitchen, responding to meet immediate physical needs, providing more than one million pounds of food and ten thousand meals to local families.

We are currently feeding more than 1,200 families each month through our food pantry and providing services to over 120 Veterans monthly.
